

With the purchase of the Rhapsody ibiza device you get the following FREE:

Rhapsody Free:

- Rhapsody-Free gives you 25 free wireless streams a month. You can play one song 25 times, 25 different songs one time each, or any combination

Note: Unused track plays do not transfer over to the next month

- Once you have listened to your 25 free streams for any given month, Rhapsody Free lets you wirelessly stream 30-second samples of songs until the next month's cycle begins

- Streaming of continuous ad-free music on 25 Rhapsody Channels for free. Listening to Rhapsody Channels does not count against your monthly stream credit

Rhapsody Free 30 Day Trial:

- Unlimited listening to millions of songs. With your Rhapsody ibiza device, you can wireless transfer music found in the Music Guide to your device without having to purchase the song for 30 days

- You can also purchase songs at a 10% discount

- Wireless streaming of unlimited plays of all Rhapsody Channels, and live radio stations
